

**digital
luxembourg**

innovative initiatives.

**transformation
is the aim.**

**digitalization
is the avenue.**

**people are
the priority.**

*under one brand, diverse projects unite
as a movement. together, we position luxembourg
& its citizens to thrive in a modern world.*

— **how we help:**

enable
new
innovative
projects.

support
existing
digital
efforts.

inform
nation & globe
of LU's digitalization.

*for the widest impact, our activities target five key
areas: skills, ecosystem, policy, government
& infrastructure.*
